The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
1.	Mandatory Condition No. 1. The defendant shall not commit another federal, state, or local crime during the term of supervision.
2.	Standard Condition No. 17. If the defendant is excluded, deported, or removed upon release on probation or supervised release, the term of supervision shall be a non-reporting term of probation or supervised release. The defendant shall not illegally reenter the United States. If the defendant is released from confinement or not deported, or lawfully re-enters the United States during the term of probation or supervised release, the defendant shall immediately report in person to the nearest U.S. Probation Office, or as ordered by the Court.

On or about October 19, 2019, Sergio Mendoza-Ramirez, an illegal alien and citizen of Mexico, was found in the United States having been previously denied admission, excluded, deported or removed from the United States on or about February 7, 2019, and the offender did not receive the consent of the Attorney General of the United States or the Secretary of the Department of Homeland Security, the successor for this function pursuant to 6 U.S.C.

§§ 202(4), & 557, to reapply for admission, being voluntarily in the United States in violation of 8 U.S.C. § 1326(a) & (b).

Following his conviction in DR-18-CR02183-JCZ(1), Mendoza-Ramirez was released to immigration authorities and deported from the United States on February 7, 2019. On October 19, 2019, United States Border Patrol agents apprehended Mendoza-Ramirez in the Galvan Ranch near Laredo, Texas. There is no record that Mendoza-Ramirez applied for or received permission from the Attorney General or the Secretary of the Department of Homeland Security to reenter the United States after deportation. Contact with the United States Probation Office, Laredo Division, reveal no prosecution was accepted for Mendoza-Ramirez and he was subsequently removed from the United States on October 20, 2019, through Laredo, Texas.
